Dear Jump Start Member:

In 1997 Associated Therapeutics, Inc. began the Jump Start Health and Fitness program. This program has positively impacted the health and lives of countless people over the past 20 years. We count it a privilege and an honor to have been able to provide this service to our community. After much thought and diligent effort to keep the Jump Start program available as a service to our community, Associated Therapeutics, Inc. has made the very difficult decision to discontinue this program. We have made every effort to keep the program going, including contacting multiple organizations (such as the City of Knoxville, YMCA, and various non-profit organizations) to take over this program, but to no avail.

We realize the impact that this will have on many of you very faithful members who have depended on this program; members who we have truly considered friends and part of the Associated Therapeutics, Inc. family. For several years, Associated Therapeutics, Inc. was able to support the Jump Start program, but we can no longer financially justify this service. Insurance-based programs which allow their members to attend at no cost to the member are a tremendous benefit to its members, but unfortunately do not provide sufficient funding to cover the expense of running this program. In addition, our pool is in need of costly repairs. For these reasons, Associated Therapeutics, Inc. can no longer justify the negative financial impact it has absorbed in running this program. The last day of operation for the Jump Start Health and Fitness program will be October 31, 2017. Jessie will be available to answer any questions you have and she can be reached via email at [jrichardson@associatedtherapeutics.com](mailto:jrichardson@associatedtherapeutics.com), or by phone at 865-687-4537 ext 237.

Please be aware that Associated Therapeutics, Inc. is not closing its doors. We will continue to stay open and continue to provide physical therapy services. We truly hope you realize how difficult this decision has been. To thank you for your loyalty, we will be hosting a luncheon on the final day of the Jump Start Health and Fitness program - October 31, 2017. We hope you will join us from 11:00 a.m. to 1:00 p.m. on this day to celebrate our successes and share wonderful memories. Thank you for your understanding and support.

Sincerely,

Tom Kelly
